

## **MAJOR TOURNAMENTS**

**To be eligible to play in the league tournaments, a member must play at least 4 times prior to the tournament.**

There is one major tournament for the Heron Lakes Ladies 9 Hole Golf League; **President's Cup/League Championship**. This tournament is held on two consecutive Tuesdays in February as a stroke play tournament. Players are paired in flights according to their handicaps and must play both weeks to be eligible for payouts.

Eligibility requirements are a paid Heron Lakes Ladies 9 Hole League membership and Heron Lakes 9 Hole Golf handicap.

To ensure efficient pace of play, tournaments participants are required to ride in all League Tournaments.

Winners are determined as follows:

**President's Cup - Best Overall (Lowest) Net Score**  
**League Championship - Best Overall (Lowest) Gross Score**

All remaining players are ranked and paid based on their best net scores by flight for the tournament. Payouts to be determined by the number of players per flight for the tournament.

Ties will be broken by a sudden death playoff or score card playoff. The Pro will determine all conditions governing a score card playoff.

To accommodate members unable to play at 1:00 p.m. The President's Cup/League Championship will be played in the morning for two consecutive weeks.  
Club Championship Play Payout: Payout to 50% of players based on number of players.

**Eclectic Tournament** – This is a two-week tournament. Foursome is made up of the same player for both weeks. Tournament score for each player is calculated by using best net score for each hole. (Score for each hole is from week 1 or week 2, not a total score of the two weeks.) Players should not keep their own scores.

If someone is unable to play both weeks, they will be allowed to play one week in the tournament. However, they will have only 1 net score for each hole.

**During all tournament play, members are required to ride in a golf cart.**
